ITEM 7**NOTICES OF MOTION**

Accompanying the Agenda, this is a notice to voting members of the Association of a motion proposed to amend the By-Laws of the Association at the Regular General Meeting scheduled for 15 April 2019.

Rule 38(2) states, “The By-Laws of the Association may be altered, rescinded or added to only by a simple majority of members present at an Annual, Special or Regular general meeting of the Association”.

ITEM 7.2**FEES FOR LIFE MEMBERS OF THE ASSOCIATION****MOTION**

That By-Law 5 of the Association be amended as follows:

delete	(2) For Rule 8(1)(h) – fees imposed unequally – fees may not be imposed unequally upon members
substitute	(2) For Rule 8(1)(h) – fees imposed unequally – Life Members are not required to pay fees other than fees under Rule 8(1)(e) – deductions from match fees.

BACKGROUND

The Committee considers that it is appropriate that Life Members – who have been elected as such due to many years of significant service to the Association – not be required to continue to pay any registration fees or FNSW or FFA fees to participate in the activities of the Association.
